

173 GRILL MINI SCRAPER

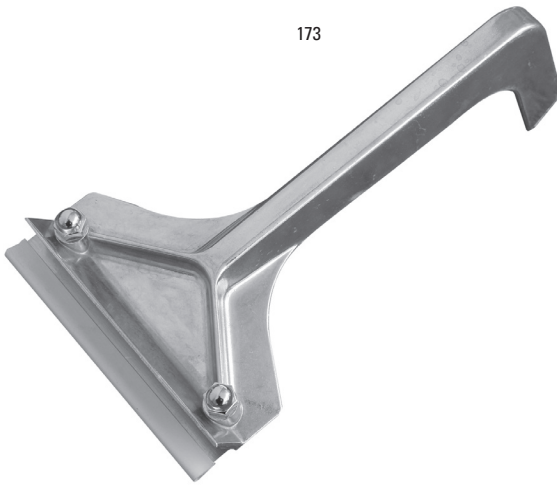

The Smaller Version of the 161

Maintain your grill and cut clean up time and effort using the mini grill scraper. Model 173 scraper removes food and grease buildup that can ruin grill surfaces.

Designed for use on steel surface grills, the mini grill scraper is tough enough to remove burnt residue left over from virtually all types of food products.

Model 173 has a 4.50 inch (11.00 cm) blade. It features a splash guard to protect the operator.

The smaller design works well in tight areas.
